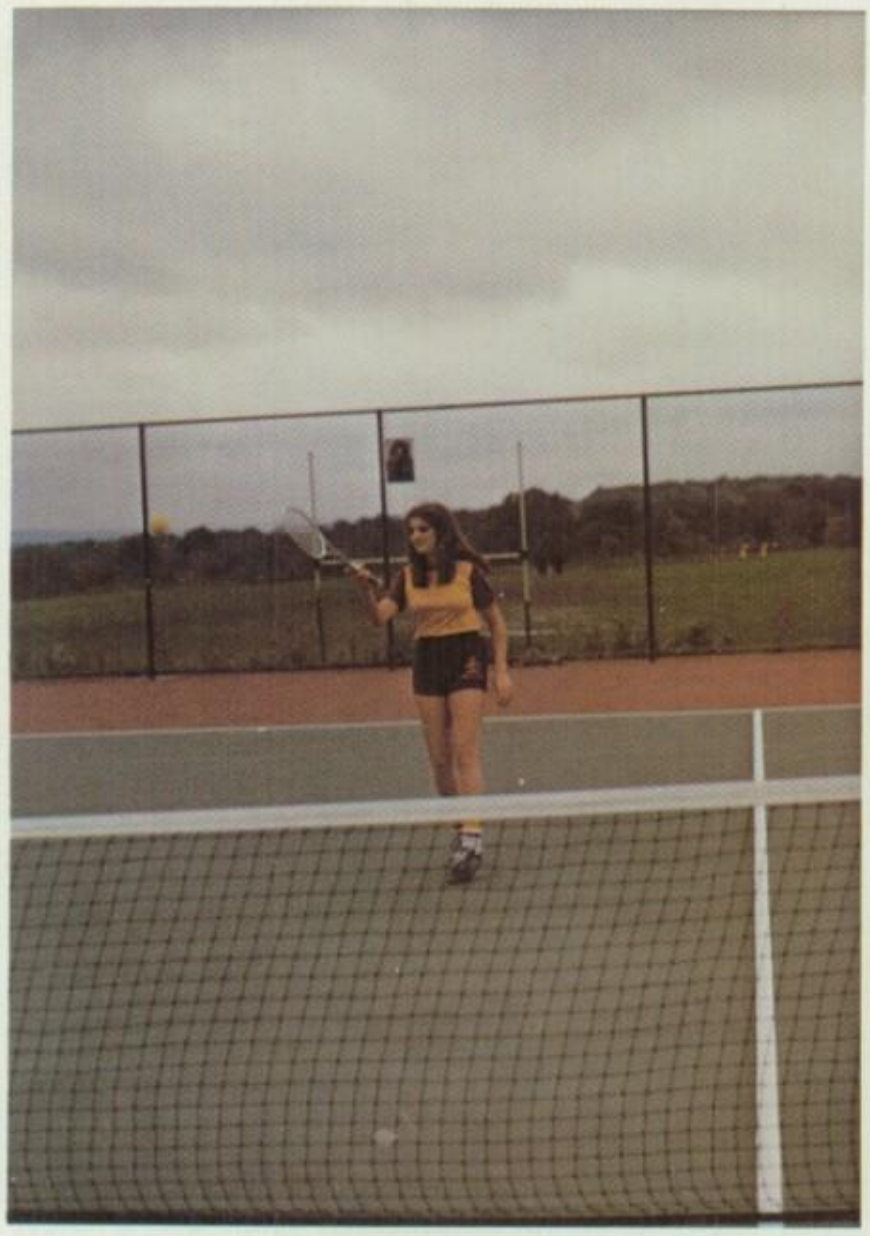
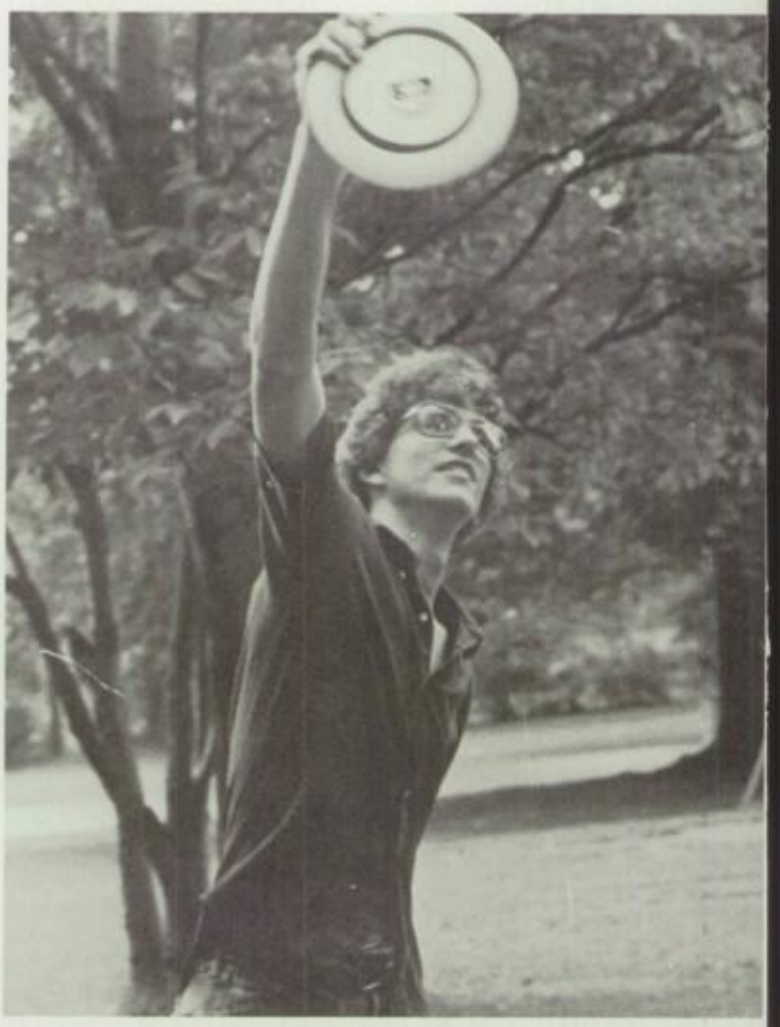
FALL 9
WINTER 47
SPRING 81
SENIORS 91

Each season has its own personality, and each student develops his own individuality here at Kennedy.



"Here at Kennedy, we strive to be kind and thoughtful to each other so that we can all relax and get to know each other better.

"Together we are one, but one in ourself."



Being loved,
makes loving a
little easier . . .

Each day of each season is a little different from the previous day, and each day at Kennedy has unique qualities which encourage students to strive towards new and ambitious goals.

. . . I am a unique being in this vast universe, unlike anyone who ever has been or ever will be-

Me . . .

FALL

Those days were soft and bracing
When colors kindled the woods,
The fruits were ripe, the fields fresh-mown
And life was rich and good.
